<b>Resort Summary</b>	Park City is a historic mining town turned into a resort area. Park City is located along the base of our mountain and is completely self-contained. It has numerous bars and clubs which attract people from all over the world. The area is host to several concerts, plays, contests, competitions and the Sundance Film Festival. Salt Lake City is only 35 miles away and has anything you can't find in Park City. Park City was also a host site for the 2002 Winter Olympic Games and has several professional riders and skiers who train here.
