<b>Additional Housing Information</b>	<p>Once placed in employee housing, managers will notify their employees and employees will need to pay a deposit, admin fee, and prorate first month's rent. Apartments are furnished and most have full kitchens, but participants will need to supply own kitchenware. Rent ranges from \$350-550 per month depending on location and unit type. Some unit's rates are up to \$700 for co-ed/couple housing options. Most bedrooms are shared. Not all rate types are available.</p> <p>Employees should plan to bring \$1500 for move-in (rent and deposit), transportation from Denver to Vail/ Beaver Creek, and paying for food, groceries, and supplies for the first 3-4 weeks of your time in the USA before your first paycheck arrives. Paychecks arrive one week after each two-week pay period therefore you should be prepared to NOT receive your first paycheck until 3-4 weeks after you begin working.</p> <p>If you choose not to live in employee housing, we highly recommend that you find housing PRIOR to arriving in Vail, as it is hard to come by once you are in the area.</p>
