Resort Summary	The Pridwin Hotel and Cottages is a classic American resort hotel located on the beach that has been providing guests a unique experience on Shelter Island since 1927. The nearly 10-acre site on Crescent Beach was selected for its protected waters, gentle bay breezes, and for its breathtaking water views of the Peconic Bay. Our company seeks seasonal staff with experience in food and beverage, but we are willing to train the right candidate as well. We encourage you to visit our website to get a sense of the property - www.caperesorts.com/pridwin .
